BATHROOM LUMINAIRES 2025/26

LEDVANCE is a licensee for the product trademark OSRAM for lamps & luminaire products in general lighting.

A warm, golden-hour photograph of a family. A man with a beard and a woman are sitting together, looking out a large window. The woman is smiling broadly, and the man is also smiling. A young child's head is visible in the foreground, resting on the woman's shoulder. The scene is bathed in soft, warm light from the window, creating a cozy and intimate atmosphere.

BATHROOM LUMINAIRES

Having the right light in the bathroom makes all the difference to your day. A comfortable atmosphere in which we feel at ease is essential. At the same time, the lighting needs to be flexible to allow everything from relaxing, dimmed feel-good lighting to optimum illumination in front of a make-up mirror.

The high-quality bathroom luminaires in OSRAM brand are just the right choice. They are designed for a modern and responsible lifestyle. The OSRAM bathroom luminaires rely on the latest LED technology. They are therefore energy-efficient, dimmable and with low heat generation.

After all, this is how you want to start and end your day: In the best light.

ORBIS DISC ROUND CLICK-CCT

Add elegance to your bathroom with sleek, versatile lighting that adapts to your style and your mood.
