

LEDVANCE.COM

LEDVANCE

OFFICE LUMINAIRES 2025/26

LEDVANCE is a licensee for the product trademark OSRAM for lamps & luminaire products in general lighting.

A warm, golden-hour photograph of a family. A man with a beard and a woman are sitting together, looking out a large window. The woman is smiling broadly, and the man is also smiling. A young child's head is visible in the foreground, resting on the woman's shoulder. The scene is bathed in soft, warm light from the window.

LEDVANCE

POWER THROUGH LIGHT

A STRONG PARTNER IN THE LIGHTING INDUSTRY

LEDVANCE is a prominent player in the lighting industry, known for its innovative lighting products and smart, interconnected lighting solutions. Drawing from our comprehensive understanding of the general illumination market, current technologies, and evolving customer demands, we are committed to meeting the specific needs of both direct and indirect customers.

As a reliable local partner, we take an active role in supporting your efforts to impress customers with high-quality, long-lasting lighting concepts. Our aim is to help boost your lighting sales by offering attractive, user-friendly, and intelligent products.

Together, we can collaboratively shape the future of light – with agility, courage, speed, and flexibility. Join us on this journey as we pave the way towards a brighter tomorrow.

OUR STRENGTHS ARE YOUR ADVANTAGE

COOPERATIVE

As a dedicated and collaborative partner, LEDVANCE boasts a vast, worldwide sales team and over a century of experience, ensuring we stand by your side at all times.

VERSATILE

Modern, smart, decorative, functional, robust and practical – our extensive portfolio meets customer requirements in all categories and virtually every area of application.

SALES-BOOSTING

Attract attention, encourage purchases. We offer targeted support for your sales with creative, pre-tested marketing concepts.

CARING

We are committed to contributing to a greener planet by reducing CO₂ emissions and waste through sustainable products, solutions and processes. We empower our customers to use light more efficiently to save energy and reduce their environmental footprint.

UNIQUE

Fresh, dynamic, high-quality and bold – we know at an early stage what interests customers and where lighting trends are heading. LEDVANCE is unmistakably LEDVANCE.

INNOVATION MEETS TRADITION

We embody progress and the passion to shape the future of lighting actively. By blending our courage to explore new paths with our experience from more than 100 years of lighting expertise, we lead the way forward.

ALL IN ONE

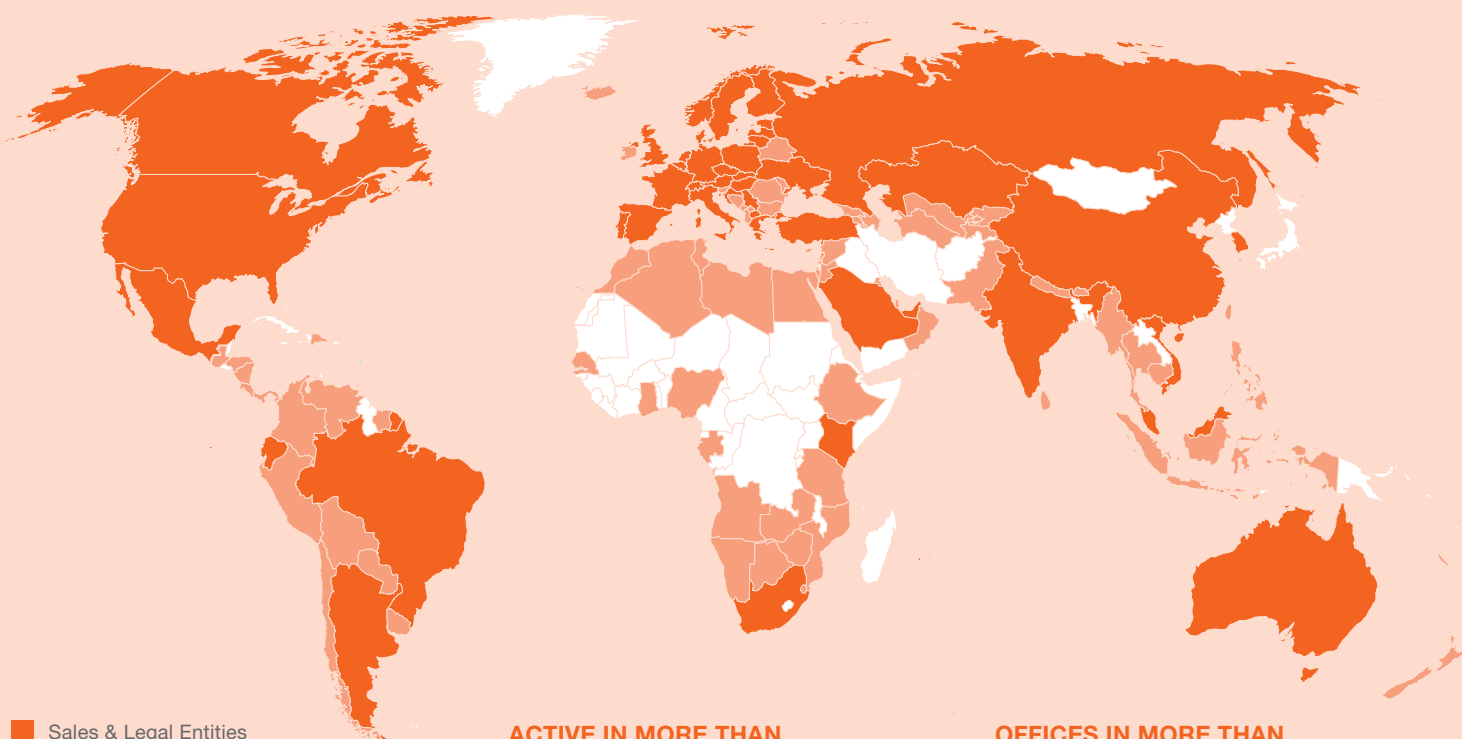

At LEDVANCE, we've got everything you need from a single source – LED luminaires, lamps, and Smart Home products. We offer you a wide range of innovative and market-driven solutions, setting new trends along the way.

FIRST-CHOICE PARTNER

As the perfect strategic ally, we offer an extensive portfolio, a robust sales network, and unparalleled global market access to fulfill all your requirements.

SUCCESSFUL WITH OSRAM PRODUCTS FROM LEDVANCE

As an exclusive licence partner, LEDVANCE offers all its general lighting solutions in the well-known OSRAM brand, creating even greater potential and generating even higher sales.

MAXIMUM BRAND AWARENESS: LIGHT MEANS OSRAM

OSRAM is the ultimate lighting expert, setting standards in lighting technology around the world for well over 100 years and epitomising quality, efficiency and progressive ideas.

INNOVATION AND TRADITION: THE CORNERSTONE OF YOUR SUCCESS

The licencing partnership with OSRAM allows LEDVANCE to offer you the best of both worlds – a well-known brand, innovative, sustainable products and a reliable partnership.

MANY PRODUCTS, ONE SUPPLIER: MORE THAN 1,500 NEW OSRAM-BRANDED PRODUCTS

LEDVANCE offers a huge selection of OSRAM-branded luminaires, lamps and smart solutions – anything from decorative luminaires and work lights to outdoor lighting. And everything from a single source.

► OSRAM-BRANDED LIGHTING SOLUTIONS. A STRONG BRAND THAT IS THE KEY TO YOUR SUCCESS.

BROUGHT TO LIGHT: OUR NEW PACKAGING

Thanks to clear brand allocation, concise product information and graphic categorisation, customers can instantly find the right OSRAM product – regardless of placement.

BAND WITH OSRAM LETTERING

for quick brand recognition

HOME OFFICE LIGHTING

Enhance the productivity and comfort of your home office with OSRAM's thoughtfully designed lighting solutions. More than just decoration, the right lighting is essential for a productive and enjoyable work environment. OSRAM lighting helps you focus, reduces eye strain, and creates a balanced atmosphere that keeps you comfortable and energised throughout the day.

A mix of natural and artificial light, combined with versatile LED options, helps you concentrate from morning to night. Positioning your desk near a window invites refreshing daylight, which can lift your mood and stimulate creativity. Well-placed ambient lighting minimises shadows and glare, while focused task lighting at your workstation keeps you alert and focused on every detail. Our LED solutions are energy efficient, offering significant cost savings without compromising quality, so you can work effectively without high energy bills.

Personalise your home office lighting with OSRAM's flexible options, including desk lamps or ceiling luminaires. From adjustable brightness to directional lighting, our designs adapt to your individual needs and workspace layout.

With OSRAM's range of contemporary, energy-saving luminaires, your home office becomes more than just a place to work – it becomes a personal retreat that promotes focus, creativity and comfort.

CEILING LUMINAIRES

OSRAM ceiling luminaires bring a perfect blend of design and function to your home office. These lights deliver consistent, even illumination that reduces eye strain and supports focused work throughout the day. From minimalist fixtures to striking modern designs, OSRAM ceiling lights offer an energy-efficient solution that fits seamlessly into any interior. Easy to install, they provide ambient lighting that brightens your workspace beautifully, helping to keep you productive and comfortable.

OFFICE LINE GRID CURVE

Metal meets clarity. This minimalist luminaire combines industrial materials with cool white light for precise illumination.

- Choice: Available in sleek black or classic white to match any interior.
- Durable: Made from robust aluminium and steel for long-lasting performance.
- Reliable: With a colour temperature of 4,000 K and up to 50,000 hours lifetime, it delivers consistent, cold white light.
- Defined: With IP 20 protection, CRI 80 and UGR <19, it ensures clarity and visual comfort in indoor settings.
- Versatile: Can be mounted directly to the ceiling or suspended – for maximum flexibility in installation.
- Adaptive: Dimmable via wall switch to suit changing light needs throughout the day.

OFFICE LINE CUBOID

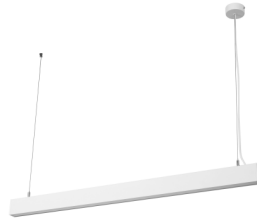

This cuboid luminaire blends geometric design with clean, adjustable brightness for focused work. Sharp edges meet soft light.

- Simple: The light is supplied with all mounting and connection accessories and is quickly installed.
- Powerful: With a colour temperature of 4,000 K and up to 100,000 hours lifetime, it provides pleasant, bright office lighting.
- Flexible: The 3-stage dimming function allows the brightness to be adjusted as required.
- Modern: The high-quality aluminium housing and linear design give the light a contemporary look.
- Versatile: Suitable for offices, home workspaces, kitchens and other indoor areas, the LED is not replaceable.

DESK LUMINAIRES

OSRAM desk luminaires provide focused, personalised lighting right at your workstation. Built to enhance productivity and reduce eye strain, these lamps offer targeted, adjustable light for all your daily tasks. Available in diverse styles, including clip-on models, flexible arms, and compact designs, desk luminaires adapt effortlessly to any workspace, offering a tailored fit. Equipped with energy-saving LEDs and features such as adjustable brightness levels, they allow you to customise your lighting to suit your tasks. These sleek, efficient luminaires integrate smoothly into your office, elevating functionality and style.

OFFICE LINE DESK RETRO

A nostalgic look with modern flexibility. Retro-inspired detailing adds charm while offering full adjustability.

- Stylish design: Classic retro form with a long lamp arm suits both modern and traditional interiors.
- Pleasant lighting: Warm white light protects eyes and creates productive work atmosphere, ideal for concentration or reading.
- Customisable: Stepless dimming enables precise brightness for any task or mood.
- Flexible mounting: Available with base or clamp for easy setup on desks, shelves or workstations.
- Ideal for long work days: Adjustable arm and swivel head provide wide-area, eye-friendly illumination.

PANAN ALU CCT

Balanced lighting meets clean geometry – with a sleek arm and touch controls for tailored brightness and colour.

- Varied: Light colour from warm white to cool white (3,000–6,500 K); enables different lighting moods for work, living or general areas.
- Dimmable: In three levels via touch sensor on the lamp base; easy brightness adjustment for different needs and spaces.
- High-quality: Black aluminium housing with minimalist design; combines durable materials with compact functionality.
- Flexible alignment: Adjustable lamp head for targeted light direction at desk, reading or specific areas.
- Long life: Compact LED table lamp with built-in 7 W light source; 25,000-hour lifespan and low energy consumption.

PANAN CLIP SQUARE

Flexible, easy-to-control luminaire that fits seamlessly into any workspace.

- Touch sensor: Simple on/off control with a convenient touch sensor.
- Varied: Flexible head allows light to be directed exactly where it's needed, creating the ideal lighting mood. Equipped with a built-in LED module with cool white light (4,000K).
- Long life: Energy-saving LED with a lifespan of up to 15,000 hours.
- Versatile: Perfect for various indoor settings, including playrooms and home offices.
- IP20 protection: Suitable for dry indoor areas, providing finger protection for live components but not water-resistant.
