

LEDVANCE.COM

LEDVANCE

CEILING & WALL LUMINAIRES 2025/26

LEDVANCE is a licensee for the product trademark OSRAM for lamps & luminaire products in general lighting.

A warm, intimate photograph of a man and a woman sitting closely together on a couch. The man, with a beard and short brown hair, is wearing a teal polo shirt and smiling as he looks out a large window. The woman, with dark hair, is leaning her head against his shoulder, also smiling. They are both holding hands. The scene is bathed in soft, golden light from the window, creating a cozy and happy atmosphere. The background shows a glimpse of a modern interior with a white mug on a table.

LEDVANCE

POWER THROUGH LIGHT

A STRONG PARTNER IN THE LIGHTING INDUSTRY

LEDVANCE is a prominent player in the lighting industry, known for its innovative lighting products and smart, interconnected lighting solutions. Drawing from our comprehensive understanding of the general illumination market, current technologies, and evolving customer demands, we are committed to meeting the specific needs of both direct and indirect customers.

As a reliable local partner, we take an active role in supporting your efforts to impress customers with high-quality, long-lasting lighting concepts. Our aim is to help boost your lighting sales by offering attractive, user-friendly, and intelligent products.

Together, we can collaboratively shape the future of light – with agility, courage, speed, and flexibility. Join us on this journey as we lead the way towards a brighter tomorrow.

OUR STRENGTHS ARE YOUR ADVANTAGE

COOPERATIVE

As a dedicated and collaborative partner, LEDVANCE boasts a vast, worldwide sales team and over a century of experience, ensuring we stand by your side at all times.

VERSATILE

Modern, smart, decorative, functional, robust and practical – our extensive portfolio meets customer requirements in all categories and virtually every area of application.

SALES-BOOSTING

Attract attention, encourage purchases. We offer targeted support for your sales with creative, pre-tested marketing concepts.

CARING

We are committed to contributing to a greener planet by reducing CO₂ emissions and waste through sustainable products, solutions and processes. We empower our customers to use light more efficiently to save energy and reduce their environmental footprint.

UNIQUE

Fresh, dynamic, high-quality and bold – we know at an early stage what interests customers and where lighting trends are heading. LEDVANCE is unmistakably LEDVANCE.

INNOVATION MEETS TRADITION

We embody progress and the passion to shape the future of lighting actively. By blending our courage to explore new paths with our experience from more than 100 years of lighting expertise, we lead the way forward.

ALL IN ONE

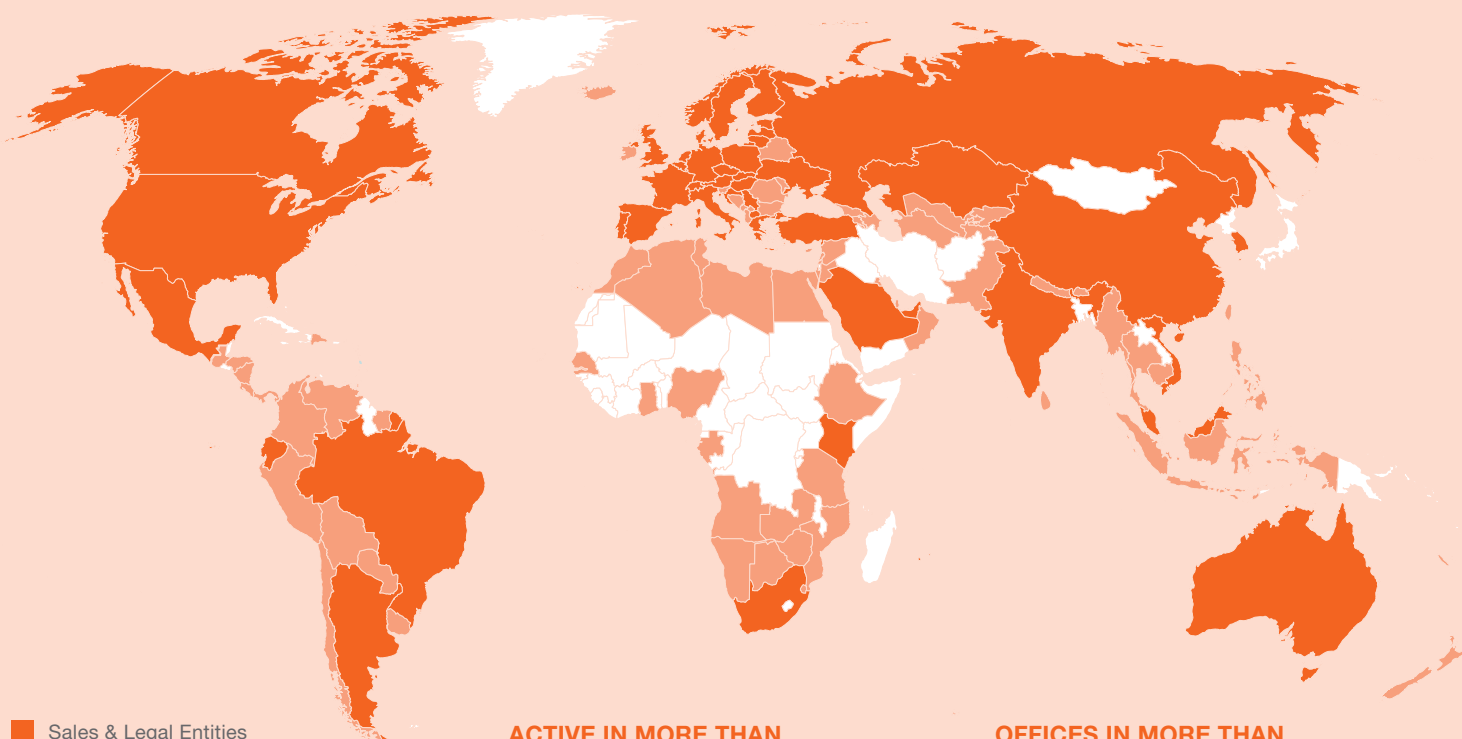

At LEDVANCE, we've got everything you need from a single source – LED luminaires, lamps, and Smart Home products. We offer you a wide range of innovative and market-driven solutions, setting new trends along the way.

FIRST-CHOICE PARTNER

As the perfect strategic ally, we offer an extensive portfolio, a robust sales network, and unparalleled global market access to fulfill all your requirements.

SUCCESSFUL WITH OSRAM PRODUCTS FROM LEDVANCE

As an exclusive licence partner, LEDVANCE offers all its general lighting solutions in the well-known OSRAM brand, creating even greater potential and generating even higher sales.

MAXIMUM BRAND AWARENESS: LIGHT MEANS OSRAM

OSRAM is the ultimate lighting expert, setting standards in lighting technology around the world for well over 100 years and epitomising quality, efficiency and progressive ideas.

INNOVATION AND TRADITION: THE CORNERSTONE OF YOUR SUCCESS

The licencing partnership with OSRAM allows LEDVANCE to offer you the best of both worlds – a well-known brand, innovative, sustainable products and a reliable partnership.

MANY PRODUCTS, ONE SUPPLIER: MORE THAN 1,500 NEW OSRAM-BRANDED PRODUCTS

LEDVANCE offers a huge selection of OSRAM-branded luminaires, lamps and smart solutions – anything from decorative luminaires and work lights to outdoor lighting. And everything from a single source.

► OSRAM-BRANDED LIGHTING SOLUTIONS. A STRONG BRAND THAT IS THE KEY TO YOUR SUCCESS.

BROUGHT TO LIGHT: OUR NEW PACKAGING

Thanks to clear brand allocation, concise product information and graphic categorisation, customers can instantly find the right OSRAM product – regardless of placement.

BAND WITH OSRAM LETTERING

CEILING LUMINAIRES

With high quality materials and versatile design, our wide range of ceiling luminaires will take the atmosphere in your home to a whole new level. A long lifetime, energy efficiency and excellent style are just some of the many advantages of our products. Whether direct or indirect, our ceiling luminaires perform at their best.

Plus, depending on the luminaire type, they are intelligent too: you can control your ceiling lights via app or voice control from nearby or far away, subtly or colourful but always in exactly the right mood.

SMART⁺ WIFI MATTER PLANON™ FRAMELESS SPARKLE

Transform your room into a sparkling night sky. Experience customizable white light, enchanting glitter effects and intelligent control for a truly unique lighting experience.

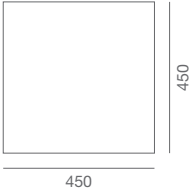

- Ideal light: Adjustable white light ranging from 3,000 K to 6,500 K for personalized lighting. The panel light is also dimmable.
- Wow effect: The panel light has a glitter and evokes the imagery of a starry night sky.
- Smart control: Easily managed via SMART⁺ WiFi remote, smartphone app, or smart speaker. Compatible with Alexa, Google and others. It can also be operated by a light switch.
- Long life: The panel light has a long life of up to 30,000 hours, this luminaire emits a brilliantly bright light while being energy-efficient.
- IP20 protection: Suitable for living rooms and studies, offering finger protection for live components.

A bold contrast of modern colour and natural warmth - ORBIS® ALVA light adds striking character to contemporary interiors.

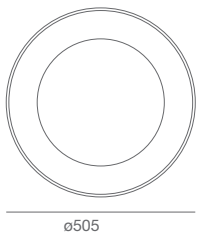

- Durable: Thanks to LED technology, the lamp provides up to 50,000 hours of illumination – the integrated LED illuminant is not replaceable.
- Design: The ceiling lamp with wood decor offers an elegant, modern look with friendly warm white lighting.
- Assembly: The lamp is easy to install and operate – mounting screws and dowels are included.
- Versatile: The lamp can be dimmed in three stages by repeated switching.
- Application: The lamp is suitable for indoor use. It is perfect for living areas such as the living room, dining room, bedroom and other rooms.

CEILING FAN GRILL

Brighten your space and stay cool – all in one.

- Two in one: These sleek white ceiling lights with integrated fan combine modern design with intelligent functionality.
- Endurable and energy-saving: Crafted from durable steel and plastic, these fans offer long-lasting performance with up to 30,000 hours of LED life.
- Versatile: The tuneable white light (3000–6500 K) lets you shift from warm to cool tones to match any mood, while a high color rendering index (CRI >80) ensures natural, vibrant illumination.
- IP20 protection: Rated IP20, it's perfect for dry indoor areas where comfort and style go hand in hand.

ORBIS® IP44 SENSOR

Let the light come to you—equipped with motion and light sensors, it adapts automatically for maximum comfort and efficiency.

- Protection: IP44 splash-proof design makes it ideal for humid indoor areas or sheltered outdoor spaces.
- Flexible: Integrated motion sensor adjusts lighting automatically based on movement.
- Homogeneous: Provides even, glare-free illumination without shadows or brightness peaks.
- Easy installation: Includes mounting and connection accessories for quick setup.
- Versatile: Suitable for indoor areas and covered outdoor areas like entrances or terraces.

WALL LUMINAIRES

Light doesn't always have to come from the ceiling. With our versatile wall luminaires you can give your rooms a unique atmosphere. Experience all the benefits of our products, including energy efficiency, durability and a sense of style.

Our luminaires bring your walls to life. Colourful or elegantly dimmed, you can control our smart luminaires remotely with an app or your voice assistant. Simple, but really smart. Luminously beautiful.

SMART+ WIFI ORBIS® WALL SWAN

Shape your light, shape your style—this intelligent wall fixture offers tuneable white light and a customisable, paintable finish.

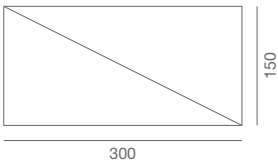

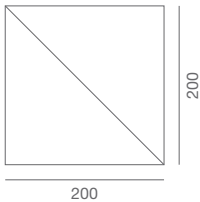

- Smart: Control via the SMART+ App, Google Assistant, or Alexa for effortless lighting adjustment.
- Flexible: Adjustable colour temperature from 3,000 to 6,500 K for the right atmosphere anytime.
- Adjustable: Paintable surface allows seamless integration into your room's colour scheme.
- Practical: Quick and easy installation with included mounting screws and wall plugs.
- Use: Ideal for living spaces like the kitchen, living room, kids' room, and home office.

RELIABLE FUNCTIONALITY AND ELEGANT DESIGN LIGHT THAT SELLS ITSELF

With ready-made packages, you can offer your customers a wide range of well-designed and individual wall and ceiling lighting solutions. These intelligent product combinations are a real boost to the appeal of your offer. This is an affordable, high-quality way to provide your customers with unique and exciting wall and ceiling products.

ATTRACTIVE SHELF DESIGN

A shelf full of ready-made incentives. See a variety of sophisticated and customised lighting solutions. Our wide variety of wall and ceiling luminaires is offered in accessible combinations.

The shelf is a real eye-catcher and perfectly tailored to the needs of the target audience. Product-specific details and features are presented in a clear and intuitive style. Everything at a glance, available as both full and half shelf displays.

COMPACT DISPLAYS

Attractive, informative and space-saving.

Our eye-catching displays provide a top-quality product presentation, thoughtfully designed to meet your needs.
